TRAVEL BLOGGER

about the bloggers

Hi, we're Johanes & Ryk. We love traveling to beach towns, snorkeling, camping, and long staycations.

In our 20s, we decided to explore the world, discover what life's all about and go after our dreams (and nope, we're not rich). We created this blog to share our adventures and misadventures in hopes of inspiring our readers to take the leap of faith and chase their dreams. Yes, it's possible! With a pinch of determination and a spoonful of hard work, you can travel ANYWHERE.
